Newton Mentoring, Inc. is a non-profit organization that was developed in 2008 to provide much needed individual support for public school students, K-12. We recruit, train and place adult mentors to work with students in the Newton County School System. Mentors take on the responsibility for, and commit to, having a positive impact on the developmental needs of their mentees.

If you have any questions pertaining to the above, please feel free to contact Margaret Washington at 678-381-7948 (newtonmentor@yahoo.com) or visit our website at www.newtonmentoring.org.
